## About SAGE

**Services and Advocacy for GLBT Elders (SAGE)** is the nation's oldest and largest non-profit agency dedicated to serving and advocating for gay, lesbian, bisexual, and transgender senior citizens. Our mission is to improve the overall quality of life for GLBT seniors, support and advocate for the rights of GLBT older people, foster a greater understanding of aging in all communities, and promote positive images of GLBT life in the later years.

SAGE offers a wide variety of programs for GLBT older people and the broader community. SAGE's clinical and social services help seniors with counseling, benefits and other practical assistance, support groups and caregiver support. SAGE at the Center provides dozens of social, educational, and recreational activities each month. And our SAGE Communities projects in Harlem and the Upper West Side help GLBT seniors age in place by fostering local support networks.

In addition, SAGE has three breakthrough initiatives designed to change the playing field for GLBT older people. Our trainings help mainstream service providers become more responsive to the unique service needs of GLBT seniors. Our technical assistance helps communities across the nation serve their seniors by replicating SAGE's path-breaking programs. And our Aging Leadership Initiative is putting GLBT senior issues onto the national policy agenda.

While your SAGE investment will not return dollars back into your pocket, it will help ensure that SAGE is there for members of the GLBT community as they grow older and will make a difference in thousands of lives every year. Your donation as a member of the Investors Circle, an investment for our whole community, will pay significant dividends for generations to come.
